Oerlikon (SWX: OERL) is among the world's most successful industrial high-tech companies focusing on machine and systems engineering. Oerlikon stands for leading industrial solutions and cutting-edge technology in textile production, thin film coating, propulsion, precision and vacuum technology. As a company with Swiss roots and a 100-year tradition with CHF 4.8 billion in sales, over 18,000 employees at 170 locations in 35 countries, Oerlikon has evolved into a global player today. The group is ranked first or second in each of its respective markets. Oerlikon's share price trebled in 2006 and its market capitalization exceeded the CHF 8 billion mark, which led to the company's inclusion in the European STOXX 600 Index. Oerlikon was the best performing stock of the year 2006.
